

PANACEA IES/GATE INSTITUTE

(Delhi Based Institute, headed by IES Rank-03 & GATE -Topper)

**“Postal Course with Class Notes for ESE+GATE+PSU-2020 Batch”
(With live discussion of All Assignments provided in course)**

Salient features of our postal course:

1. Latest Hand written class Notes of all subjects taught by IES topper and team.
2. Live discussion of all assignments provided in course by IES&GATE Topper
3. Theory book for every subject
4. Objective Assignment book for every subject
5. Conventional Assignment book for every subject
6. PANACEA GATE File plus Interview Guidance book
7. Free IES and GATE online test series available
8. Interview guidance free for all our postal student

About Study Material:

1. Our class notes are the best notes in India which are taught by IES topper&Team. Most of the concepts and Qs are directly coming from our class notes.
2. In 2018&2019(After New pattern) More than 90% Qs were directly from our class notes
3. Study material is designed by a team of IES& GATE toppers with 18 years teaching experience. study material is error free and exam-oriented&Tricks for solving objective questions are given
4. Theory book contains theoretical concepts, basics of subjects and many solved problems.
5. Assignment book contains theoretical, numerical, conceptual & exam oriented questions. Last 28 years IES/GATE solutions with reference are provided in assignments.

How to Apply:

Fee for postal course is: ₹10000/=00 including postal charges

Payment can be done by:

1. Fee can be deposited directly through net-banking at our website after online registration.
2. Material can be collected directly from our office by prior intimation.

IES+GATE+PSU- 2020 Electronics&Comm Course Details

Books to be sent after Registration: (Total 53)

Technical Books :(Total 45)

1. Class notes+ Theory Book+ Objective Assignment of Basics of Electronics
2. Class notes+ Theory Book + Objective Assignment of Material Science
3. Class notes+ Theory Book + Objective Assignment of Measurement
4. Class Notes +Theory Book + Objective Assignment of Network Analysis
5. Class Notes+ Theory Book+ Objective Assignment of Analog Electronics
6. Class Notes +Theory Book+ Objective Assignment of Digital Electronics
7. Class notes+ Theory Book+ Objective Assignment of Communication system
8. Class notes+ Theory Book + Objective Assignment of Control system
9. Class notes+ Theory Book + Objective Assignment of Signal system
10. Class notes+ Theory Book+ Objective Assignment of Electromagnetic theory
11. Class notes+ Theory Book+ Objective Assignment of Mathematics
12. Class notes +Theory Book+ Objective assignments of basics of Electrical Engineering
13. Class notes +Theory Book+ Objective assignments of Computer organization
14. Class notes +Theory Book +Objective assignments of Advance Electronics
15. Class notes +Theory Book+ Objective assignments of Advance Communication

Non Technical Books :(8)

1. Ethics and Values For Engineers with objective assignments
2. Basics of Project Management with objective assignments
3. Information and Communication Technology with objective assignments
4. Basics of Energy and Environment with objective assignments
5. Standard and Quality Practice with objective assignments
6. Principles of Design Drawing and Safety with objective assignments
7. General Aptitude with objective assignments
8. General English with objective assignments

Note:

1. **GATE file-20+Current Affairs-20 will be sent in form of pdf before exam only**
2. **14 Conventional assignment books to be sent just after Prelim exam:**
3. **How to Register:** After “online registration” at our website required Fee can be paid directly through net banking/debit-card at website through gateway. Once your fee is received whole material will be dispatch within 2-3 days. For any info call at 9811382221 or mail us at panacea.institute@gmail.com

IES+GATE+PSU- 2020 Electrical Engineering Course Details

Books to be sent after Registration: (Total 50)

Technical Books :(Total 42)

16. Class notes+ Theory Book+ Objective Assignment of Electronics Device&circuit
17. Class notes+ Theory Book + Objective Assignment of Material Science
18. Class notes+ Theory Book + Objective Assignment of Measurement
19. Class Notes +Theory Book + Objective Assignment of Network Analysis
20. Class Notes+ Theory Book+ Objective Assignment of Analog Electronics
21. Class Notes +Theory Book+ Objective Assignment of Digital Electronics
22. Class notes+ Theory Book + Objective Assignment of Control system
23. Class notes+ Theory Book + Objective Assignment of Signal system
24. Class notes+ Theory Book+ Objective Assignment of Electromagnetic theory
25. Class notes+ Theory Book+ Objective Assignment of Mathematics
26. Class notes +Theory Book+ Objective assignments of Electrical Machine
27. Class notes +Theory Book+ Objective assignments of Computer organization
28. Class notes +Theory Book +Objective assignments of Power system
29. Class notes +Theory Book+ Objective assignments of Power electronics

Non Technical Books :(8)

9. Ethics and Values For Engineers with objective assignments
10. Basics of Project Management with objective assignments
11. Information and Communication Technology with objective assignments
12. Basics of Energy and Environment with objective assignments
13. Standard and Quality Practice with objective assignments
14. Principles of Design Drawing and Safety with objective assignments
15. General Aptitude with objective assignments
16. General English with objective assignments

Note:

Current Affairs-20 will be sent in form of pdf before exam only

13 Conventional assignment books to be sent just after Prelim exam:

How to Register: After “online registration” at our website required Fee can be paid directly through net banking/debit-card at website through gateway.
